Mother: Danice Kyriakopoulos

E-mail: daniceorsini@aol.com

Cell: 716-472-5191

Siblings: Alec Kyriakopoulos (Attending Kent State), Stella

Kyriakopoulos

Personal Mission: "My goal is to attend a college where I am able to major in biology as well as minor in chemistry, so I am able to continue on to dental school. While learning and expanding my knowledge in these areas, I hope to compete for a gymnastics team that will add to the overall college experience, as well as strive to be the optimal version of myself. My hard work, motivation, and dedication will aid me in becoming the best student athlete I can be." - **Zoe Kyriakopoulos, 2019**

Coach Testimonial: "There are probably few coaches who have had the pleasure of coaching their level 10 gymnasts since the very moment they entered their program some 13 years ago. At three years old Zoe was enrolled in my pre-school program and at that age I knew we had someone who would have a very long and exciting gymnastics career. It was clear even then, that her attention to detail, amazing comprehension skills and her unique style would help carry her to a level above the rest. As a gymnast she displays not only a high level of difficulty but also a very aggressive competitive demeanor and loves and thrives at thought of competition. In the gym she is a natural born leader, a compassionate friend and the backbone of our team, the definition of a team player. Zoe's work ethic, passion for gymnastics and level of difficulty would make her an asset to any college gymnastics program." **Keith Stumpf**
